

COMPANY GOALS

EDEN FOODS®

- 1 Provide the most pure, high quality, life-supporting **food** and accurate **information** about them, their uses and benefits.
- 2 Creation and maintenance of a **healthy**, respectful, challenging, and **rewarding** environment for people involved with the Company.
- 3 Development of the ability to **produce** and disseminate the **foodstuffs** and **information** we create and handle.
- 4 Cultivate **sound relationships** with like minded **people** and **organizations** involved in like pursuits.
- 5 Cultivate **adaptability** to changes in economic, social, and environmental conditions to allow Eden Foods the opportunity to **survive long term**.
- 6 Have a **strong**, positive **impact** on **farming** and **food** processing practices used in the **world**.
- 7 To contribute to **peaceful development** of life on Earth.
